

GenealogyKC

KANSAS CITY'S FAMILY HISTORY & TECHNOLOGY CONFERENCE

Connections

We All Have a Story

We are all looking for connections with those that are living, those that have passed on before us and the stories that bind us together. Whether you are just beginning, learning the basics of genealogical research or an expert wanting to enhance your research. GenealogyKC has something for everyone. Join us and learn how to find, organize, preserve, and share your family's connections and history.
